

## 2nd Annual Bandera Chamber of Commerce BBQ Cook-Off Sponsorship

July 10-11, 2026

Dear Potential Sponsor,

The Bandera County Chamber of Commerce is hosting our 2<sup>nd</sup> Annual BBQ Cook-Off July 10-11, 2026 at the Bandera Pioneer RV River Resort. Our goal is to create an event that provides Cookers with a great experience and attracts folks to our beautiful town! Last year's event hosted 68 cooking teams and we are expecting even more this year!

What is the most important part of a BBQ cook-off? The Cookers! What do the Cookers want? First, they want a good payout structure. Participating in BBQ cook-offs is expensive for cookers. By the time you figure in the cost of entry fees, meats (and most cooks BBQ double of what is required to turn in the best pieces), spices and marinades, charcoal or wood, and fuel cookers could be spending upwards of \$300-\$500 just to be here. You could say cookers participate because they love the sport, but most will tell you they also go where the payouts are good.

Here's what we are going to provide for the cookers and the public to make the event enjoyable:

Guaranteed \$10,000 payout for the 4 meat categories and 70% for Jackpots

Awards for Grand and Reserve Grand Champions, 1<sup>st</sup>-3<sup>rd</sup> place meats and 1<sup>st</sup> place Jackpots

Goodie Bags/Welcome Packets for all Teams ~ Rec Center for Judging

Pavilion with live music ~ Vendors

Port-O-Cans (many teams will be in sites with no hook-ups, and we will need to serve the public)

Ice runners (sales and delivery of ice to cooking teams) ~ Trash runners (trash pick-up from team sites)

Where do you fit in? Since this is a fund raiser for the Chamber of Commerce, we have provided some sponsorship opportunities for our local businesses. This helps cover the expenses of putting on such a large cook off and It's a way to give to the Chamber while promoting your business!

Please consider joining our team. Let's make this cook-off the one Cookers and the public keep coming back to year after year!

Thank you!

Bandera County Chamber of Commerce
